

Chelmsford Cricket Club

Report for 14 & 15 July

Heavy rain from Thursday onwards on grounds that are already wet put paid to any chance of cricket matches being played this weekend. There were no games played in any of the leagues of Chelmsford's five sides so positions are unchanged.

The first team remain on top of the table and travel to their nearest rivals Wanstead next Saturday for a crucial game.

Sunday's programme also fell victim to the weather but the Under 16 Essex Matchplay competition has reached the knockout stage and requires a result on the day of the match. Chelmsford had to travel to South Woodford to take part in a bowl-out and emerged victorious. In an impressive display, all five of Chelmsford's nominated team held their nerve and hit the stumps to secure a comfortable if fairly unsatisfying win. The team was Tom Arnold, Haris Mahmood, Matt Davis, Henry Clark and Miles Clark.

Fixtures

Saturday 21 July
